

Copy of Report by Office of Training to the DDCI as Required
by 23 June 1961

Recommendation 1:

Approved.

"This problem is under review by the recommended task force and, subject to their findings, OTR is prepared to make adjustments to the clerical training program. Meanwhile, changes have been made in the schedule of training for clerical personnel going overseas, particularly those courses deemed essential for personnel going to the smaller stations and bases -- the Administrative Procedures, and Budget and Finance Procedures courses."
